Target version:		Tags:	
Resolution:			
Description			
Jeremy (supercopter) suggest the use of some other gadgets also (we are using already some of them).			
No all the gadgets can be used in the "New" menu, then we have to evaluate which to use there.			

History

#1 - 08/31/2011 07:37 PM - Vicente J. Ruiz Jurado

He wrote:

A list of Wave extensions to use with the "Add Gadget by URL" button, in Google Wave, Wave-in-a-Box or Kune.
