| <p>In (Wave) avatars add also a contextual menu (chat, etc). Now this works only in group space avatars.</p> <p>Original comment by Javier in Spanish "Debería haber un menú textual sobre las imágenes de usuario que te permitiera hacer acciones sobre él, chatear, amigarle etc. (me parece que solo aparece cuando ya es tu amigo)."</p> <p>Currently It's not trivial to patch this wave code but...</p> | | | |
