

Kune - Defect #210

The rendering of waves should be the same logged and not logged

03/13/2012 10:43 AM - Anonymous

Status:	New	Start date:	
Priority:	High	Due date:	
Assignee:	Vicente J. Ruiz Jurado	% Done:	0%
Category:	Group space	Estimated time:	0.00 hour
Target version:		Tags:	
Resolution:			
Description			
<p>After submitting the Google Summer of Code application and using kune.cc public pages for presenting them our applications, the public view of waves gains much more importance. Both pages</p> <p>http://kune.cc/?locale=en#comunes.wiki.318.529</p> <p>http://kune.cc/?locale=en#comunes.wiki.318.259</p> <p>are seen with multiple mistakes, in both Firefox and Chromium. Supression of line-breaks, no working hyperlinks, no respect to font sizes, etc</p>

We should add a issue in Wave about this. The goal is to create a render module with the same code as the editor.

#2 - 11/01/2013 08:59 PM - Akis -

Probably same issue with: <http://kune.ourproject.org/issues/ticket/186>
