History

#1 - 01/10/2013 03:52 AM - Vicente J. Ruiz Jurado

- Priority changed from Normal to Low

#2 - 01/12/2013 07:52 PM - Vicente J. Ruiz Jurado

- Tracker changed from Defect to Enhancement

#3 - 11/01/2013 11:31 PM - Akis -

It is probably useless to get a whole wave as pdf. Maybe only the first blip is worthy of that. In the case of a single blip, the functionality should be part of the editor and located on its toolbar.
